OVERVIEW OF THE CIVIL SERVANTS DURING 2016-17

INTRODUCTION

Pakistan Public Administration Research Centre (PPARC), Establishment Division is responsible to collect, compile and disseminate the data of Federal Government employees. For this purpose, PPARC periodically carries out censuses of Federal Government Civil Servants in terms of their classifications and characteristics after every three years. In addition to triennial censuses, the statistical bulletins are also produced and published on annual basis. The data for bulletins are collected at Division and Department level showing sanctioned and actual strength of employees working as civil servants.

2. These bulletins are user intensive and are compiled according to their possible requirements of current statistics. Parliament, Establishment Division, Finance Division, Planning Development & Reform Division, Provincial Governments, Research Institutions and Non-Governmental Organizations (NGOs) are some of the major institutions making use of these bulletins, for having authentic figures on the human resource at Federal Government level all over the country. Consequently, nineteen annual statistical bulletins of Federal Government civil employees had been published on the basis of fiscal years, starting from 1997-98.

3. This is the twentieth annual statistical bulletin for the period 2016-17 and depicts the employment status as on 01-07-2016. It contains wide range of statistics covering not only the sanctioned and actual working strength of employees but also presents domicile wise breakup of all the categories of the Federal Government civil employees. The scope of data has been extended upto 14 occupational / functional groups / services with detail of basic scales and domicile / sex wise position of incumbents working in these groups. The bulletin also contains domicile wise data about the non-muslim employees. It

also includes information about female employees working in Federal Government as civil servants, while their domicile and basic scale wise breakup is also provided in this bulletin. The compilation of this bulletin is based on the primary source of data and information has been collected from various Ministries, Divisions, Departments and Offices directly during 2016-17.

4. During the data collection of 17th Census of Federal Government Civil Servants, it was noticed of that few attached department of Defence Division are not covered in the census as well as annual bulletins although the employees working in these departments are civil servants of the Federal Government. It was brought into the notice of authorities and the Establishment Division decided to enumerate those employees as civil servants. Therefore, the data of these eight departments of Defence Division have also been included in the bulletin first time. Due to this fact a remarkable increase in the sanctioned as well as actual strength has been noticed as compared to previous Bulletin of 2015-16.

DATA ANALYSIS

5. This bulletin comprises current data for the year 2016-17 with reference period 01-07-2016. The data are obtained at administrative level of each Ministry, Division and Department. The analysis of main data items is provided in this part of the report for the easement of readers.
